## Support the Arts at Appel Farm with a Vehicle Donation!

The mission of Appel Farm Arts & Music Center is to co-create experiences that inspire people to unleash their inherent creativity, leading to self-discovery, personal growth, community building, and joy. At Appel Farm, we believe artmaking is a healing practice, a community practice, and a way of recognizing people for who they are.

Over the past 60 years, we have delivered transformative arts and learning experiences as the arts education leader in South Jersey. Now in its seventh decade, Appel Farm has evolved into a multidisciplinary regional arts center serving audiences, artists, and students through programs on our campus, in local schools, and in the community. Our programs build on Albert and Clare Appel's founding principles, providing opportunities for arts education, arts appreciation, and creative expression to more than 33,000 people annually. Youth account for approximately 94% of program participants, and the majority of programs take place on our 115-acre campus in Elmer, NJ.

We are currently in need of utility and passenger vehicles to support our year-round programs and award-winning Summer Arts Camp. Vehicles help to fulfill our mission in the following ways:

1. **SAFETY** - Our Summer Arts Camp program is an immersive, overnight arts learning experience for hundreds of youth and camp staff each year. Having a reliable vehicle means that staff can safely transport a member of the camp community to a doctor's office or urgent care facility in the event they need non-emergency medical care.
2. **OPERATIONS** - Closed-cab utility vehicles are critical to on-campus operations, ensuring that our facilities team can safely haul building materials and equipment on our property.
3. **LEARNING** - Our student-centered learning approach means that our instructors co-create learning goals with their students in the classroom. To support this organic approach, our staff regularly go off-site to procure arts supplies and other materials from local vendors.
4. **COMMUNITY** - We recognize that access to arts experiences is important, and lack of transportation can be an access barrier for many families. Passenger vehicles enable our team to travel off-site to share our programming in school and community partner locations. This is a vital step towards promoting equitable access to arts learning for our region.

Your donation will be acknowledged on Appel Farm's website and in relevant materials for our programs. Based on the value of the donation, we are also able to negotiate sponsorship recognition at upcoming events. Please complete the following form and return to Craig Getting, Director of Development at [cgetting@appelfarm.org](mailto:cgetting@appelfarm.org) or call (856) 358-2472 ext. 110 with any questions.
